Date of Follow-up with Staff: _____

§ 3290.2. Purpose.

The purpose of this chapter is to provide standards to aid in protecting the health, safety and rights of children and to reduce the risks to children in family child day care homes. This chapter identifies the minimum level of compliance necessary to obtain the Department's certificate of registration.

§ 3290.3. Applicability.

- (a) This chapter applies to facilities in which out-of-home care is provided, at any one time, for part of a 24-hour day to four, five or six children who are not related to the operator and who are 15 years of age or younger. This chapter applies to private or public, profit or nonprofit facilities.
- (b) This chapter does not apply to the following:
 - (1) Care provided by relatives.
 - (2) Care furnished in places of worship during religious services.
- (c) In addition to the requirements in this chapter, the family child day care home shall be in compliance with applicable provisions of Article X(c) of the act (62 P. S. § § 1070—1080).

§ 3290.4. Definitions.

The following words and terms, when used in this chapter, have the following meanings, unless the context clearly indicates otherwise:

ACIP — The Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention, United States Department of Health and Human Services.

Act — The Public Welfare Code (62 P. S. § § 101—1411).

Age level — The grouping category appropriate for the child's age.

(i) *Infant* — A child from birth to 1 year of age.

(ii) *Young toddler* — A child from 1 to 2 years of age.

(iii) *Older toddler* — A child from 2 to 3 years of age.

(iv) *Preschool child* — A child from 3 years of age to the date the child enters kindergarten in a public or private school system.

(v) *Young school-age child* — A child who attends kindergarten to the date the child enters the 4th grade of a public or private school system.

(vi) *Older school-age child* — A child who attends the 4th grade of a public or private school system through 15 years of age.

Applicant — A legal entity who makes a written request to operate a registered family child day care home.

Appeal — A written, signed and dated statement requesting reconsideration or modification of a Departmental decision that negatively affects the certificate of registration of the facility. An appeal is made by the facility operator or by the facility's legal entity.

CPS — Child Protective Services.

CPSL — *Child Protective Services Law*—Title 23 of the *Pennsylvania Consolidated Statutes* Chapter 63 (relating to the Child Protective Services Law).

CRNP — Certified Registered Nurse Practitioner.

Casual contact — The ordinary, routine and age-appropriate association of children, parents and facility persons in the course of daily assembly in a facility.

Certification of registration — A document issued by the Department to a legal entity permitting the legal entity to operate a specific type of facility at a specific location for a specific period of time not to exceed 2 years from the date of issue, according to applicable Departmental regulations. A certificate of registration approves the operation of a facility subject to Article X(c) of the act (62 P. S. §§ 1070—1080).

Child — A person 15 years of age or younger.

Child abuse — Serious physical or mental injury which is not explained by the available medical history as being accidental; sexual abuse or sexual exploitation; or serious physical neglect of a child if the injury, abuse or neglect of a child has been caused by the acts or omissions of the child's parent, by a person responsible for the child's welfare, by an individual residing in the same home as the child or by a paramour of a child's parent. A child will not be deemed to be physically or mentally abused for the sole reason that the child is in good faith being furnished treatment by spiritual means through prayer alone in accordance with the tenets and practices of a recognized church or religious denomination by an accredited practitioner thereof or is not provided specified medical treatment in the practice of religious beliefs or solely on the grounds of environmental factors which are beyond the control of the person responsible for the child's welfare, such as inadequate housing, furnishings, income, clothing and medical care.

Child care experience — Care for a child in lieu of care by the parent or guardian for part of a 24-hour day. The term includes care of foster children in a court-supervised arrangement. The term does not include care of related children who reside with an individual. The term does not include supervised onsite training in the case of a student who is fulfilling the requirements of a secondary or postsecondary child care training or educational curriculum.

Child with special needs — A child who has one or more of the following:

- (i) A disability or developmental delay identified on an IEP, an IFSP or a service agreement.
- (ii) A written behavioral plan that has been determined by a licensed physician, licensed psychologist or certified behavior analyst.

(iii) A chronic health condition diagnosed by a licensed physician, physician's assistant or CRNP that requires health and related services of a type or amount beyond that required by children generally.

Communicable disease — An illness due to an infectious agent or its toxic products which is transmitted directly or indirectly by the infected agent to a susceptible host. Communicable diseases are specified in 28 Pa. Code Chapter 27 (relating to communicable and non-communicable diseases).

Denial — The written refusal of the Department to issue a certificate of registration to a new applicant.

Department — The Department of Human Services of the Commonwealth.

Facility — A family child day care home.

Facility person — A staff person, a substitute staff person or a volunteer.

Family child day care home — A home other than the child's own home, operated for profit or not-for-profit, in which child day care is provided at any one time to four, five or six children unrelated to the operator.

IEP — Individualized education program as defined in 22 Pa. Code §§ 14.101 and 14.131—14.133 (relating to definitions; and IEP).

IFSP — Individualized family service plan as defined in §§ 4226.5 and 4226.71—4226.77 (relating to definitions; and IFSPs).

Inspection — A review of facility operation to determine compliance with applicable laws or regulations, conducted by an agent of the Department.

Inspection summary — A document prepared by an agent of the Department describing each regulatory noncompliance item confirmed as a result of a facility inspection.

Legal entity — A person, corporation or partnership that is legally responsible for the administration of the facility.

Night care — Care for a child between the hours of 7 p.m. and 7 a.m.

Nonrenewal — The written refusal of the Department to issue a certificate of registration to a legal entity previously granted a certificate of registration at the same location.

Operator — The term is synonymous with the term “caregiver” in section 1070 of the act (62 P. S. § 1070).

Parent — The biological or adoptive mother or father or the legal guardian of the child.

Potentially hazardous food — A food that consists in whole or in part of milk or milk products, eggs, meat, poultry, fish, shellfish or other ingredients capable of supporting rapid and progressive growth of infectious or toxigenic microorganisms.

Random sample — The total of the registered family child day care homes annually selected for inspection by the Department.

Regional office of child day care — One of four Departmental offices responsible for certified child day care facilities located in counties assigned to the regional office. A certificate of registration is issued by a regional office to the legal entity responsible for the operation of a family child day care home.

Registration law — The act of December 5, 1980 (P. L. 1112, No. 193) (62 P. S. § § 1070—1080).

Relative — A child, stepchild, grandchild or foster child.

Revocation — The Department’s written retraction of a certificate of registration which occurs prior to expiration of the facility’s certificate of registration.

Service agreement — A service agreement as defined in 22 Pa. Code § § 15.2 and 15.7 (relating to definitions; and service agreement).

Space — An indoor or outdoor area used for child care.

Staff person — A person included in the regulatory ratio who is responsible for child care activities.

Supervise — To be present in the child care facility with the children or with the facility person under supervision. Supervision is critical oversight in which the supervisor can see, hear, direct and assess the activity of the supervisee.

Volunteer — A person 16 years of age or older who is not included in the regulatory ratio. A volunteer assists in implementing daily program activities.

<p>(7) The person certified in lifeguard training may not be included in the staff:child ratio.</p>																					
<p>(8) A facility person who is counted in the staff:child ratio shall annually complete water safety instruction.</p>																					
<p>(9) A sanitizing solution shall be added to water in a wading pool. An acceptable sanitizing solution is 3/4 teaspoon of bleach added to 50 gallons of water. A sanitizing solution shall be handled as a toxic. See § 3290.64 (relating to toxics).</p>																					
<p>(10) A wading pool shall be emptied daily.</p>																					
<p>(b) <i>Water play table.</i> A water play table or a container used for water play that contains unfiltered water shall be emptied daily.</p>																					
<p>§ 3290.116. Release of children.</p>	Met	Plan of Action	Date for Correction																		
<p>(a) A child shall be released from care only to the child's parent or to an individual designated in writing by the enrolling parent. A child shall be released to either parent unless a court order on file at the facility states otherwise.</p>																					
<p>(b) In an emergency, a child may be released to an individual upon the oral designation of the parent, providing the identity of the person can be verified by the operator or a staff person.</p>																					
<p>(c) If a child is released upon the oral designation of the parent, the following information shall be logged in the child's record:</p>																					
<p>(1) The name of the parent making the request.</p>																					
<p>(2) The date and time of the request.</p>																					

(3) The name of the individual to whom the child is to be released.			
(4) The name of the staff person taking the call.			
(5) The name of the staff person releasing the child.			
§ 3290.117. Pets.	Met	Plan of Action	Date for Correction
(a) A pet or animal present at the facility, indoors or outdoors, shall be in good health and known to be friendly to children.			
(b) Contact with pets by the children is permitted only when a staff person is physically present.			
(c) A veterinarian's certificate of current rabies immunization is required for a cat or dog at the facility. The certificate shall be on file when the cat or dog is present.			
§ 3290.118. Infant sleep position.	Met	Plan of Action	Date for Correction
Infants shall be placed in the sleeping position recommended by the American Academy of Pediatrics unless there is a medical reason an infant should not sleep in this position. The medical reason shall be documented in a statement signed by a physician, physician's assistant or CRNP and placed in the child's record at the facility.			

PROCEDURES FOR ADMISSION			
§ 3290.121. Application.	Met	Plan of Action	Date for Correction
(a) The operator shall review with the parent, at the time of application, the facility's general daily schedule, hours in which care is provided, fees, responsibilities for meals, clothing, health policies, supervision policies, night care policies, dismissal policies, transportation and pick-up arrangements.			
(b) At the time of enrollment, a parent shall receive in writing the information described in subsection (a).			
§ 3290.122. Admission interview.	Met	Plan of Action	Date for Correction
A child shall be interviewed or observed by the operator and when possible shall have the opportunity to visit the facility prior to being admitted for care. The child shall be told as much about the service being planned as the child can understand. If the parent indicates that the child has a special need, the operator shall discuss the condition			

with the parent, refer to § 3290.4 (relating to definitions), and comply with § 3290.15, 3290.124 and 3290.131 (relating to service to a child with special needs; emergency contact information; and health information).			
§ 3290.123. Agreement.	Met	Plan of Action	Date for Correction
(a) An agreement signed by the operator and the parent must specify the following:			
(1) The amount of fee to be charged per day or per week.			
(2) The date on which the fee is to be paid.			
(3) The services to be provided to the family and child, including the Department’s approved form to provide information to the family about the child’s growth and development in the context of the services being provided. The operator shall complete and update the form and provide a copy to the family in accordance with the updates regarding emergency contact information in § 3290.124(e) (relating to emergency contact information).			
(4) The child’s arrival and departure times.			
(5) The individuals designated by the parent to whom the child may be released as specified in § 3290.116 (relating to release of children).			
(6) The date of the child’s admission.			
(7) The services which are to be considered as extra.			
(b) A parent shall receive the original agreement. The facility shall retain a copy of the agreement.			
§ 3290.124. Emergency contact information.	Met	Plan of Action	Date for Correction
(a) Emergency contact information shall be present in a child care facility for each enrolled child. Emergency contact information must reference who shall be contacted in an emergency.			
(b) Emergency contact information must include the following:			
(1) The name and birth date of the child.			
(2) The name, address and telephone number of the child’s source of medical care.			
(3) The home and work addresses and home and work telephone numbers of the enrolling parent.			
(4) A written consent signed by a parent for emergency medical care.			
(5) Information on the child’s special needs, as specified by the			

child's parent, physician, physician's assistant or CRNP, which is needed in an emergency situation.			
(6) Health insurance coverage and policy number for the child under a family policy or Medical Assistance (MA) benefits, if applicable.			
(7) The name, address and telephone number of the individual designated by the parent to whom the child may be released.			
(c) When children leave the facility on walking and riding excursions, emergency contact information specific to each child on the excursion shall accompany a staff person on the excursion.			
(d) A written plan shall be conspicuously posted which identifies the means of transporting a child to emergency care and the facility staffing provisions in the event of an emergency. The plan must accompany a staff person who leaves the facility on an excursion with children.			
(e) Emergency contact information shall be updated in writing by the parent once in a 6-month period or as soon as there is a change in the information.			

CHILD HEALTH			
§ 3290.131. Health information.	Met	Plan of Action	Date for Correction
(a) The operator shall require the parent of an enrolled child to provide an initial health report no later than 60 days following the first day of attendance at the facility.			
(1) The initial health report for an infant must be dated no more than 3 months prior to the first day of attendance at the facility.			
(2) The initial health report for a young toddler must be dated no more than 6 months prior to the first day of attendance at the facility.			
(3) The initial health report for an older toddler or preschool child must be dated no more than 1 year prior to the first day of attendance at the facility.			
(4) The initial health report for a school-age child must be dated in accordance with the requirements for medical examinations for school attendance in 28 Pa. Code § 23.2 (relating to medical examinations).			
(b) The operator shall require the parent to provide an updated health report in accordance with the following schedules:			

(1) At least every 6 months for an infant or young toddler.			
(2) At least every 12 months for an older toddler or preschool child.			
(c) A health report must be written and signed by a physician, physician's assistant or a CRNP. The signature must include the individual's professional title.			
(d) The health report must include the following information:			
(1) A review of the child's health history.			
(2) A list of the child's allergies.			
(3) A list of the child's current medication and the reason for the medication.			
(4) An assessment of an acute or chronic health problem or special needs and recommendations for treatment or services, including information regarding abnormal results of screening tests for vision, hearing or lead poisoning.			
(5) A review of the child's immunized status according to recommendations of the ACIP.			
(6) A statement of the child's medical information pertinent to diagnosis and treatment in case of emergency.			
(7) A statement that the child is able to participate in child care and appears to be free from contagious or communicable disease.			
(8) A statement that age-appropriate screenings recommended by the American Academy of Pediatrics were conducted since the time of the previous health report required by this section.			
(e) The facility may not accept or retain an infant 2 months of age or older, a toddler or a preschool child at the facility for more than 60 days following the first day of attendance at the facility unless the parent provides written verification from a physician, physician's assistant, CRNP, the Department of Health or a local health department of the dates (month, day and year) the child was administered immunizations in accordance with the recommendations of the ACIP.			
(1) The facility shall require the parent to provide updated written verification from a physician, CRNP, the Department of Health or a local health department of ongoing vaccines administered to an infant, toddler or preschool child in accordance with the schedule recommended by the ACIP.			
(2) Exemption from immunization must be documented as follows:			
(i) Exemption from immunization for religious belief or strong			

personal objection equated to a religious belief must be documented by a written, signed and dated statement from the child’s parent or guardian. The statement shall be kept in the child’s record.			
(ii) Exemption from immunization for reasons of medical need must be documented by a written, signed and dated statement from the child’s physician, physician’s assistant or CRNP. The statement shall be kept in the child’s record.			
(3) The facility shall implement dismissal policies in accordance with the Department of Health regulation in 28 Pa. Code § 27.77 (relating to immunization requirements for children in child care group settings).			
(4) The facility shall comply with the annual immunization reporting requirements in accordance with the Department of Health regulation in 28 Pa. Code § 27.77.			
§ 3290.132. Emergency medical care.	Met	Plan of Action	Date for Correction
(a) If emergency medical care is needed for a child, the parent shall be contacted as soon as practical in the best interest of the child. If the parent cannot be reached, the operator shall record in writing the reason emergency care was required and the attempts made to inform the parent.			
(b) A staff person shall accompany the child to a source of emergency care and shall remain with the child until the parent or a person designated by the parent assumes responsibility for the child’s care.			
(c) An operator shall document the manner in which emergency treatment was sought and obtained. File documentation shall include information referenced at § 3290.17(d) (relating to reporting injury, death or fire).			
§ 3290.133. Child medication and special diets.	Met	Plan of Action	Date for Correction
The operator shall make reasonable accommodation in accordance with applicable Federal and State laws to facilitate administration of medication or a special diet that is prescribed by a physician, physician’s assistant or CRNP as treatment related to the child’s special needs. Facility persons are not required to administer medication or special diets which are requested or required by a parent, a physician, a physician’s assistant or a CRNP but are not			

treatment related to the child’s special needs. When medication or special diets are administered, the following requirements apply:			
(1) A prescription or nonprescription medication may be accepted only in an original container. The medication must remain in the container in which it was received.			
(2) A staff person shall administer a prescription medication only if written instructions are provided from the individual who prescribed the medicine. Instructions for administration contained on a prescription label are acceptable.			
(3) The label of a medication container must identify the name of the medication and the name of the child for whom the medication is intended. Medication shall be administered to only the child whose name appears on the container.			
(4) Medication shall be stored in a locked area of the facility or in an area that is out of the reach of children.			
(5) Medication shall be stored in accordance with the manufacturer’s, health professional’s or pharmacist’s instructions on the original label.			
(6) A parent shall provide written consent for administration.			
(7) An operator is responsible to establish and maintain a medication log if prescription or nonprescription medication is administered. A log must include the following minimum information:			
(i) The name of the medication.			
(ii) The name of the child receiving the medication.			
(iii) A requirement for refrigeration.			
(iv) The amount of medication administered.			
(v) The date of administration.			
(vi) The time of administration.			
(vii) The initials of the staff person who administered the medication.			
(viii) Special notes related to problems of administration.			
(8) If a special diet is prescribed for a child and if the diet is administered to the child, written instructions and the parent’s written consent shall be retained in the child’s file.			
§ 3290.134. Child hygiene.	Met	Plan of Action	Date for Correction
(a) A staff person shall ensure that a child’s hands are washed before meals, snacks, after toileting and after being diapered.			
(b) Cloth towels and washcloths shall be labeled with the child’s name, used by only the named child and laundered weekly. The			

operator shall arrange a laundry schedule with the parent.			
(c) Paper towels may be used as towels and washcloths. Paper towels shall be discarded after each use.			
(d) If brushing teeth is a program activity, a child shall have a labeled toothbrush.			
(e) Toothbrushes shall be stored with the bristles up and exposed to circulating air.			
(f) Paper cups discarded after one use, or water fountains shall be used for between-meal drinking by children who are not bottle-fed.			
§ 3290.135. Diapering requirements.	Met	Plan of Action	Date for Correction
(a) When children are diapered, the facility shall use disposable diapers, a diaper service or arrange with the parent to provide a daily diaper supply.			
(1) If non-disposable diapers are provided by a parent, a soiled diaper shall be placed in an individual, securely-tied plastic bag and returned to the parent at the end of the day.			
(2) If non-disposable diapers from a diaper service are provided by a facility, a soiled diaper shall be placed in the container provided by the service or in a securely-tied plastic bag.			
(3) If disposable diapers are provided by a facility or a parent, a soiled diaper shall be discarded by immediately placing the diaper into a plastic-lined, hands-free covered can.			
(4) A soiled diaper that is not in a tied bag may not be placed in an unlined outdoor trash container.			
(b) Diaper changing surfaces shall be cleaned after each use by wiping the surface with a sanitizing solution or by changing a pad or other surface covering.			
(c) The diapering area may not be used for food preparation or food service.			
(d) Cloth and paper materials used as diapering aids shall be stored in a manner that prevents cross-contamination from a soiled diaper, contaminated hands or other changing materials.			
(e) A staff person shall check a child's diaper at least every 2 hours and whenever the child indicates discomfort or exhibits behavior that suggests a soiled diaper. A staff person shall change a child's diaper when the diaper is soiled.			
§ 3290.136. Reporting diseases.			

(a) If an operator allows admission of an ill child, the operator shall receive instructions from the parent for care of the child to assure that the child's needs for rest, attention and administration of medication are met.			
(b) The operator shall inform parents of enrolled children when there is a suspected outbreak of a communicable disease or an outbreak of an unusual illness that represents a public health emergency in the opinion of the Department of Health.			
(c) If a child becomes ill at the facility, the operator shall notify the child's parent as soon as possible.			
(d) A facility person who knows of a communicable disease for which 28 Pa. Code Chapter 27 (relating to communicable and non-communicable diseases) requires reporting, or who knows of a group expression of an illness which may be of public concern, whether or not it is known to be of a communicable nature, shall report it promptly to the appropriate division of the Department of Health, as specified in 28 Pa. Code Chapter 27, or to a local department of health.			
§ 3290.137. Children with symptoms of disease.	Met	Plan of Action	Date for Correction
An operator who observes an enrolled child with symptoms of a communicable disease or infection that can be transmitted directly or indirectly and may threaten the health of children in care shall exclude the child from attendance until receiving notification from a physician or CRNP that the child is no longer considered a threat to the health of others. The notification shall be retained in the child's file. Diseases and conditions which require exclusion are specified in 28 Pa. Code Chapter 27 (relating to communicable and non-communicable diseases). The Department of Health will provide, upon request, a list of communicable diseases.			
§ 3290.138. Discrimination based on illness.	Met	Plan of Action	Date for Correction
Before, during and after the admission process, an operator or facility person may not discriminate against serving a child who has an illness which is not transmitted by casual contact.			

ADULT HEALTH			
§ 3290.151. Health assessment.	Met	Plan of Action	Date for Correction
(a) A facility person providing direct care who comes into contact with the children or who works with food preparation shall have a health assessment on file at the facility.			
(1) The operator shall submit a health assessment to the Department prior to issuance of an initial or renewal certificate of registration.			
(2) A health assessment is valid for 24 months following the date of signature, if the person does not contract a communicable disease or develop a medical problem.			
(b) A health assessment shall be conducted and a report written and signed by a physician, physician’s assistant or CRNP. The signature must include the individual’s professional title.			
(c) The health assessment must include the following:			
(1) A physical examination.			
(2) Tuberculosis screening by the Mantoux method at initial employment. Subsequent tuberculosis screening is not required unless directed by a physician, CRNP, the Department of Health or a local health department.			
(i) If a person’s medical record demonstrates a positive tuberculin skin test, that record shall be placed on file at the facility.			
(ii) A record of a person with a positive tuberculin skin test must include the results of a chest x-ray and evaluation for chemoprophylaxis.			
(iii) A person with a positive tuberculin skin test and a negative x-ray is not required to have further tuberculosis testing unless one of the following occurs:			
(A) The person is exposed to an active case of tuberculosis.			
(B) The person develops a productive cough which does not respond to medical treatment within 14 days.			
(3) Examination for communicable diseases and the results of that examination.			
(4) Information on medical problems which might threaten the health of the children or prohibit a staff person from providing adequate care to children.			
(5) The physician’s or CRNP’s assessment of the person’s suitability			

to provide child care.			
§ 3290.151a. Tuberculosis testing—statement of policy.	Met	Plan of Action	Date for Correction
The Department will accept an interferongamma release assay blood test instead of the Mantoux skin test for an adult health assessment.			
§ 3290.152. Adult hygiene.	Met	Plan of Action	Date for Correction
A facility person shall wash his hands before meals and snacks, after toileting and after diapering a child.			
§ 3290.153. Facility persons with symptoms of disease.	Met	Plan of Action	Date for Correction
A facility person with symptoms of a communicable disease or infection that can be transmitted directly or indirectly and which may threaten the health of children in care shall be excluded from attendance until the facility operator receives notification from a physician or CRNP that the person is no longer considered a threat to the health of others. The notification shall be retained in the facility person's file. Exclusion from the facility is required for diseases and conditions specified in 28 Pa. Code Chapter 27 (relating to communicable and non-communicable diseases). The Department of Health will provide, upon request, a list of communicable diseases.			
§ 3290.154. Facility persons with skin disorders.	Met	Plan of Action	Date for Correction
(a) A facility person with a discharging or infected wound, sore, lesion on hands, arms or an exposed portion of the body shall be excluded from child care and food preparation activities until a physician or CRNP gives written notice that the person may return to child care or food preparation. The notification shall be retained in the person's file.			
(b) A facility person with a herpes infection may not be present with infants younger than 3 months of age.			
§ 3290.155. Discrimination based on illness.	Met	Plan of Action	Date for Correction
A facility person or an individual seeking employment or placement who has an illness that is not transmitted by casual contact shall be permitted the right to continued employment, placement, employment opportunity or placement opportunity to the extent of his ability to perform the stated job function.			

NUTRITION			
	Met	Plan of Action	Date for Correction
(a) Food stored, prepared or served shall be clean, wholesome, free from spoilage, free from adulteration and safe for human consumption.			
(b) Food that has been previously served to a person or returned from a table shall be discarded.			
(c) Potentially hazardous food brought from the child's home or provided by the facility shall be refrigerated.			
(d) Fresh fruits and vegetables that are not used on the day of purchase shall be refrigerated.			
(e) The only canned foods permitted for children's consumption are those commercially preserved in airtight jars or cans.			
(f) A facility shall provide a sufficient number of refrigerators to contain foods which require refrigeration.			
(a) If a child receives care for 4 or more consecutive hours, nutritional, appropriately-timed meals and snacks shall be served.			
(b) Meals and snacks may be provided by the parent, upon agreement between the parent and the operator.			
(c) Food may not be withheld from children for purposes of discipline.			
(d) Children may not be forced to eat food.			
(a) A lunch or dinner prepared at the facility for children of toddler age or older shall have at least one item from each of the following food groups:			
(1) Dairy products—milk, milk products and cheese.			
(2) Protein group—meat, fish, poultry, eggs, cheese, peanut butter, dried beans, peas and nuts.			
(3) Fruits and vegetables—a wide variety of green, white, yellow, red vegetables and fruits.			
(4) Grain group—whole grain and enriched products, such as breads, cereals, pastas, crackers and rice.			
(b) Breakfast prepared at the facility for children of toddler age or older shall have at least one item from three of the four food groups listed in subsection (a).			

Food servings shall be portioned suitably for the size and age of the children in care. Additional food in reasonable amounts shall be made available to children upon the request of the parent or child.			
The operator shall discuss the general menu plan with the parent so that the daily nutritional needs of the child can be met.			
Meals for infants shall be provided in accordance with the following requirements:			
(1) A written statement giving formula and feeding schedule shall be obtained from the parent.			
(2) New foods shall be introduced only after consultation with the child's parent.			
(3) Disposable nursers shall be used unless bottles are provided by the parent, or unless a dishwasher is used by the facility.			
(4) Disposable nursers and bottles shall be labeled with the child's name.			
(5) An infant 6 months of age or younger shall be held while being bottle fed.			
(6) Neither an infant nor a toddler is permitted to sleep with a bottle in his mouth.			
(7) Bottled formula may not be heated in a microwave oven.			

TRANSPORTATION			
§ 3290.171. Consent.	Met	Plan of Action	Date for Correction
The operator shall obtain written consent from the parent for transportation by the facility staff.			
§ 3290.172. Age of driver.	Met	Plan of Action	Date for Correction
The operator of the vehicle shall be 18 years of age or older and shall have a valid operator's license.
