Early Childhood Education (EARL)

EARL 106 Early Childhood Development and Learning (Cr3) (3:0)

Students learn child development theories and milestones from prenatal to age 9 in the context of cultural and developmental variations. They learn inclusive teaching skills and strategies for all children including English Language Learners (ELL). They will understand the value of developing respectful, reciprocal relationships with families and community partners is a foundational skill. Students will be introduced to Art is a Way of Learning (AWL) as a curriculum framework. The course requires five observational visits to a variety of educational settings: infant/toddler, Preschool/Head Start program, 1st/2nd grade, 3rd/4th grade, and special education classroom. Observation visits total ten hours (two hours each). Also available through Online Learning. Child Abuse Registry, Criminal Background Check, and FBI clearances are required.
