

PROFESSIONAL DEVELOPMENT REGISTRY COURSE OVERVIEW FORMAT AND INSTRUCTIONS

The following provides instructors with the format and instructions for preparing a Professional Development Course to be submitted for approval.

Please use this as your Overview template. The following provides the required format for the Overview, along with instructions of what should be included.

1.	Course Title (required)	
2.	Course Type	PQAS Approved
3.	Level of Training (required)	 C1 C2 C3
4.	Description (required)	Instructions: Add a descriptive overview of the course as a preview in the course catalog. (75-100 words)
5.	Course Owner Information (required)	Instructions: Choose the option that best fits the course ownership of this course. Created by Myself Created and Owned by My Organization Published by Others
6.	Category (required)	Instructions: Select the age group that best represents the information presented in your course. Infant Toddler Preschool-PreK School-Age Business
7.	Course Hours (required)	Instructions: Enter the hours of the course. Your sample module must be at least 2 hours, but no longer than 4 clock hours, excluding breaks. 2 Hours 3 Hours 4 Hours

8.	Knowledge Area (required)	Instructions: Enter the number of hours for each Knowledge Area that best represents the overall content area of the course. You may multi-select. The number of hours that you enter for specific. Child Growth and Development Curriculum and Learning Experiences Family, Schools and Community Collaborations and Partnerships Assessment Communication Professional and Leadership Health, Safety and Nutrition Organization and Administration
9.	CDA Content Area	In the PD Registry, the hours will automatically populate based on the hours you enter in Step 8. Do not fill in this area.
10.	Prerequisites	Instructions: Optional; List and prerequisites or advanced preparation required for participants of this training. Only required if there are prerequisites for the course.
11.	Learning Objectives (required)	Instructions: The learning objectives should clearly align with the course description, the needs assessment and the Core Knowledge Competencies. The objectives answer the question "What will the participant learn, and be able to do after taking this training?" Two hours of training might only address one or perhaps two objectives. You should be able to assess if the objectives have been met.
12.	Core Knowledge Competency (required)	Instructions: Enter the Pennsylvania Core Knowledge Competencies for Early Childhood & School-Age Professionals. These competencies will align with your course learning objectives previously listed. Example: K3.5 C2-Use knowledge about concerns, stressors, and/or crises to enhance interactions with families and provide needed supports.
13.	Diversity/Inclusion (Optionalstrongly encouraged.)	Instructions: Briefly explain how cultural diversity and inclusion will be addressed within this training. Example: If the training is on diaper changing, one way to address diversity would be to discuss how the diaper changing process can be more enjoyable for infant when the changer speaks and sings in English as well as the child's home language. One way to address inclusion would be to discuss how some older children with disabilities may still need to wear a diaper in the older preschool room, and how classroom staff need to have diapers available and a changing area set up to accommodate the child's needs.

	in early education	
14.	Outline of Training Content, Training Methods, and Training Timeline	Instructions: Does the content reflect and support the objectives? Briefly describe each section of the training, including the content, the methods to be used, and the estimated time to complete each section. The trainer may include the training outline that will be distributed to the participants. Training content must be consistent with sound theories and principles of child development, professional development competencies, quality standards, best practices, and licensing regulations. The trainer must connect the content to practical application. The content outline should include content that supports each objective and competency goal indicated.
15.	Training Activity	Instructions: In this section, the trainer should describe what participants will be doing in the course. The instructor may submit an example of a specific training activity. Include details of what the participants will do during the activity, how the activity addresses a training objective, and how this activity is assessed to determine success in meeting the objective.
16.	Assessment of Learning Objectives (required)	Instructions: How will you evaluate what participants have gained from your session? Please provide an example that relates to your learning objectives. Examples include Pre/post-test, asking questions, debriefing, culminating projects and opportunities for participants to follow up with fellow participants of the training.
17.	Training Materials List	Instructions: Provide a list of materials (flip chart, video, books, etc.) needed for the training. You may want to include copies of handouts, power point, and all printed materials with reference and copyright information. This information will not be seen by the public, but would be beneficial for other instructors that are approved to instruct this course.
18.	References (required)	Instructions: List the resources that reflect current knowledge and support evidence based practice, including diversity and inclusion. Provide titles, authors, and sources.
19.	Handouts	Instructions: List any handouts for participants.

		Instructions: Select the Target Audience.
