

Knowledge Area Update Form

Please identify your ability to instruct in the specific Knowledge Area(s) listed below, which are drawn from the Pennsylvania Core Knowledge Competencies for Early Childhood and School-Age Professionals. Select only those areas that are appropriate for your experience and educational background, as supported by attached documentation.

For each Knowledge Area selected below, list documentation supporting why you believe this is an area of expertise. Documentation must be included with this form. On the supporting documentation, identify the Knowledge Area it supports.

Date: _____

Name: _____
