Date/Time of Assessment: ___________________________ Room: ______________

Date of Follow-up with Staff: ____________________________________________

§ 3270.2. Purpose.

The purpose of this chapter is to provide standards to aid in protecting the health, safety and rights of children and to reduce risks to children in child day care centers. This chapter identifies the minimum level of compliance necessary to obtain the Department’s certificate of compliance.

§ 3270.3. Applicability.

(a) This chapter applies to facilities in which out-of-home care is provided, at any one time, for part of a 24-hour day to seven or more children, 15 years of age or younger, including:

(1) Care provided to a child at the parent’s work site when the parent is not present in the child care space.
(2) Care provided in private or public, profit or nonprofit facilities.
(3) Care provided before or after the hours of instruction in nonpublic schools and in private nursery schools and kindergartens.

(b) This chapter does not apply to:

(1) Care provided by relatives.
(2) Care furnished in places of worship during religious services.
(3) Care provided in a facility where the parent is present at all times child care is being provided.
(4) Care provided during the hours of instruction in nonpublic schools and in private nursery schools and kindergartens.

(c) A legal entity seeking to operate a child day care facility as defined in this chapter shall apply for an initial or renewal certificate of compliance in accordance with the requirements established in Chapter 20 (relating to licensure or approval of facilities and agencies).

(d) Requirements relating to programs serving only school-age children are in § 3270.241 (relating to requirements specific to school-age programs).
§ 3270.4. Definitions.

The following words and terms, when used in this chapter, have the following meanings, unless the context clearly indicates otherwise:

**ACIP** — The Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention, United States Department of Health and Human Services.

**Age level** — The grouping category appropriate for the child’s age.

(i) **Infant**—A child from birth to 1 year of age.
(ii) **Young toddler**—A child from 1 to 2 years of age.
(iii) **Older toddler**—A child from 2 to 3 years of age.
(iv) **Preschool child**—A child from 3 years of age to the date the child enters kindergarten in a public or private school system.
(v) **Young school-age child**—A child who attends kindergarten to the date the child enters the 4th grade of a public or private school system.
(vi) **Older school-age child**—A child who attends the 4th grade of a public or private school system through 15 years of age.

**CPS** — Child Protective Services.

**CPSL** — Child Protective Services Law—Title 23 of the Pennsylvania Consolidated Statutes Chapter 63 (relating to the Child Protective Services Law).

**CRNP** — Certified Registered Nurse Practitioner.

**Casual contact** — The ordinary, routine and age-appropriate association of children, parents and facility persons in the course of daily assembly in a facility.

**Certificate of compliance** — A document issued by the Department to a legal entity permitting the entity to operate a specific type of facility at a specific location for a specific period of time according to applicable Department regulations. A certificate of compliance approves the operation of a facility subject to Article IX of the act (62 P. S. §§ 901—922) or licenses the operation of a facility subject to Article X of the act (62 P. S. §§ 1001—1087).

**Child** — A person 15 years of age or younger.
Child abuse — Serious physical or mental injury which is not explained by the available medical history as being accidental; sexual abuse or sexual exploitation; or serious physical neglect of a child if the injury, abuse or neglect of a child has been caused by the acts or omissions of the child’s parent, by a person responsible for the child’s welfare, by an individual residing in the same home as the child or by a paramour of a child’s parent. A child will not be deemed to be physically or mentally abused for the sole reason that the child is in good faith being furnished treatment by spiritual means through prayer alone in accordance with the tenets and practices of a recognized church or religious denomination by an accredited practitioner thereof or is not provided specified medical treatment in the practice of religious beliefs or solely on the grounds of environmental factors which are beyond the control of the person responsible for the child’s welfare, such as inadequate housing, furnishings, income, clothing and medical care.

Child care experience — Care for a child in lieu of care by the parent or guardian for part of a 24-hour day. The term includes care of foster children in a court-supervised arrangement. The term does not include care of related children who reside with an individual. The term does not include supervised onsite training in the case of a student who is fulfilling the requirements of a secondary or postsecondary child care training or educational curriculum.

Child day care center — The premises in which care is provided at any one time for seven or more children unrelated to the operator.

Child with special needs — A child who has one or more of the following:
(i) A disability or developmental delay identifies on an IEP, an IFSP or a service agreement.
(ii) A written behavioral plan that has been determined by a licensed physician, licensed psychologist or certified behavior analyst.
(iii) A chronic health condition diagnosed by a licensed physician, physician’s assistant or CRNP that requires health and related services of a type or amount beyond that required by children generally.

Communicable disease — An illness due to an infectious agent or its toxic products which is transmitted directly or indirectly by the infected agent to a susceptible host. Communicable diseases are specified in 28 Pa. Code Chapter 27 (relating to communicable and non-communicable diseases).

Department — The Department of Human Services of the Commonwealth.

Facility — A child day care center.

Facility person — A staff person, a substitute staff person, a volunteer, a food service person, a janitorial person or another adult who serves in or is employed by a facility.
Fire protection professional — An individual knowledgeable and competent in fire inspections, fire detection, fire suppression systems and practices, fire service training, emergency preparedness planning and emergency evacuation whose competence is demonstrated by membership in a professional organization which promotes fire safety education.

Group — Children assigned to the care of one or two staff persons. A group occupies a space or a defined part of a space.

IFSP — Individualized family service plan as defined in §§ 4226.5 and 4226.71—4226.77 (relating to definitions; and IFSPs).

Inspection summary — A document prepared by an agent of the Department describing each regulatory noncompliance item confirmed as a result of a facility inspection.

Legal entity — A person, society, corporation, governing authority or partnership that is legally responsible for the administration of one facility or several facilities, or one type of facility or several types of facilities.

Night care — Care for a child between the hours of 7 p.m. and 7 a.m.

Operator — The legal entity or a person designated by the legal entity to serve as the facility director.

Parent — The biological or adoptive mother or father or the guardian of the child.

Potentially hazardous food — A food that consists in whole or in part of milk or milk products, eggs, meat, poultry, fish, shellfish or other ingredients capable of supporting rapid and progressive growth of infectious or toxigenic microorganisms.

Public water system — A system for the provision to the public of water for human consumption that has at least 15 service connections or regularly serves an average of at least 25 individuals daily at least 60 days out of the year. The term includes:

(i) Collection, treatment, storage and distribution facilities under the control of the operator of the system and used in connection with the system.

(ii) Collection or pretreatment storage facilities not under control of the operator which are used in connection with the system.

(iii) A system which provides water for bottling or bulk hauling for human consumption.
Relative — A parent, child, stepparent, stepchild, grandparent, grandchild, brother, sister, half brother, half sister, aunt, uncle, niece or nephew. As applied to facilities subject to approval under Article IX of the act, the term also includes a stepbrother, stepsister or first cousin.

School-age care — Supervised child day care in a Departmentally certified facility during the hours when a child is not required to attend school.

Service agreement — A service agreement as defined in 22 Pa. Code §§ 15.2 and 15.7 (relating to definitions; and service agreement).

Space — Indoor or outdoor area designed for child care that is large enough to accommodate the maximum number of children allowed under this chapter. A space may be used by more than one group of children.

Staff person — A person included in the regulatory ratio who is responsible for child care activities.

Supervise — To be physically present with a group of children or with the facility person under supervision. Critical oversight in which the supervisor can see, hear, direct and assess the activity of the supervisee.

Volunteer — A person 16 years of age or older who is not included in the regulatory ratio and who assists in implementing daily program activities under the supervision of a staff person.

Waiver — The Department’s written exemption from the requirement of meeting a standard in this chapter.

Year — For purposes of calculating, 1 year of child care experience is a minimum of 1,250 clock hours.

(a) A volunteer shall be 16 years of age or older and shall be directly supervised at all times.

(b) A staff person shall be 18 years of age or older.

(c) An individual 16 years of age or older who is enrolled in an approved training curriculum may be used as a staff person, if the following guidelines are met:

(1) The curriculum is conducted by an institution approved by the Department of Education and accredited by an accrediting agency recognized by the United States Department of Education or the Council on Postsecondary Education and acceptable to the Department of Education.

(2) The curriculum includes acceptable training topics referenced in subsection (e)(2).

(3) The curriculum includes a minimum total of 600 clock hours, distributed as follows:
   (i) A minimum of 400 clock hours of classroom training.
   (ii) A minimum of 200 clock hours of supervised training in a child day care facility.

(4) A representative of the training institution certifies in writing that the individual has completed the required classroom training and is
currently enrolled in the curriculum.

(5) The written certification required in paragraph (4) shall be retained in the staff file at the facility.

(d) Child care professional credentials are equivalent to the staff qualifications:

(1) A Child Development Associate (CDA) credential or a Certified Childcare Professional (CCP) credential is equivalent to 9 credit hours from an accredited college or university in early childhood education or child development and 1 year of experience with children.

(2) A Pennsylvania school-age professional credential is equivalent to 9 credit hours from an accredited college or university in elementary education or child development and 1 year of experience with children.

(e) A staff person shall obtain an annual minimum of 6 clock hours of child care training.

(1) Acceptable training is conducted in one or more of the following settings:
   (i) By a secondary or postsecondary institution approved by the Department of Education and accredited by an accrediting agency recognized by the United States Department of Education or the Council of Postsecondary Accreditation and acceptable to the Department of Education.
   (ii) By an entity that is licensed or certified professionally competent in the training topic.
   (iii) In conferences or workshops.
   (iv) With audio-visual materials recognized by child care professionals.

(2) Acceptable training topics include the following:
   (i) Child or staff health.
   (ii) Child development, early childhood education and special education.
   (iii) Supervision, discipline and guidance of children.
   (iv) Nutrition for children.
   (v) Child care program development.
   (vi) Child care staff person or volunteer professional development.

(3) Other training topics may be submitted for the Department’s review and approval.

(4) Depending on the provisions of the appropriate regulation, training may be required for certain staff persons. The following constitutes competence in training areas:
   (i) First-aid training. Competence is the completion of training by a
professional in the field of first-aid. First-aid training will be renewed on or before expiration of certification or every 3 years, as applicable.

(ii) *Fire safety training.* Staff persons shall participate, at least annually, in fire safety training conducted by a fire protection professional. Staff persons and volunteers shall receive training in maintenance of smoke detectors, the duties of facility persons during a fire drill and during a fire and the use of the facility’s fire extinguishers, not including discharge of the fire suppressant agent.

(iii) *Lifeguard training.* Competence is the completion of lifeguard training, including first-aid training and cardiopulmonary resuscitation (CPR) for child and infant.

(iv) *Water safety instruction.* Competence is the completion of basic instruction in water safety from a certified lifeguard.

(f) Completion of training shall be documented by the signature and title of a representative of the training entity and include the date training was completed. Documentation shall be retained in the facility person’s file.

#### § 3270.52. Mixed age level.

When children are grouped in mixed age levels, the age of the youngest child in the group determines the staff:child ratio and maximum group size in accordance with § 3270.51 (relating to similar age level).

#### § 3270.53. Children of an operator or a staff person.

(a) The related or foster children of an operator and the children or foster children of a staff person shall be counted for the purpose of satisfying the staff/child ratio requirements in §§ 3270.51 and 3270.52 (relating to similar age level, and mixed age level).

(b) The related or foster children of an operator and the children or foster children of a staff person shall be counted for the purpose of satisfying the allocated space capacity requirements in §§ 3270.61 and 3270.62 (relating to measurement and use of indoor child care space; and measurement and use of play space).

#### § 3270.54. Minimum number of facility persons in the child care facility.

(a) At least two facility persons shall be present in the facility when two or more children are in care. At a minimum, one of the facility persons...
shall be a staff person.

(b) At least two facility persons shall be present when children are on an excursion away from the facility. At a minimum, one of the facility persons shall be a staff person.

(c) If the staff-child ratio warrants only one staff person, the second person may be another facility person.

§ 3270.55. Ratios while children are napping.

(a) While toddlers and preschoolers are napping, the following staff-child ratios apply:

<table>
<thead>
<tr>
<th>Similar Age Level</th>
<th>Staff</th>
<th>Children</th>

</tr>
</tbody>
</table>

(b) Staff persons who are on duty but are not providing child care during naptime shall remain in the child care portion of the facility premises.

§ 3270.61. Measurement and use of indoor child care space.

(a) A facility shall provide indoor child care space for individual and group small muscle activity.

(b) Indoor child care space may not be used simultaneously as play space.

(c) Indoor child care space is measured within permanent stationary partitions or walls. The allowable number of children in a space is determined by dividing the total square feet in a space by 40.

(d) Measured indoor space includes space occupied by cupboards, shelves, furniture and equipment.

(e) Measured indoor space excludes space occupied by halls, bathrooms, offices, kitchens and locker rooms.

(f) Indoor space in which children are receiving care may not be used simultaneously for other business, commercial, social or another purpose unrelated to the child care being offered.

(g) Preschool and school-age children may not be involved in small or
large muscle activity in the same group space in which children are sleeping or resting.

(h) The capacity established for an indoor space may not be exceeded except in the following situations:

(1) At naptime, when toddler or preschool children are resting on rest equipment described in § 3270.106 (relating to rest equipment) if the following conditions are met:
   (i) At naptime, the capacity is determined by the requirement for placement of rest equipment described in § 3270.106(f).
   (ii) At naptime, the capacity may be exceeded for a period not longer than 2 1/2 consecutive hours, no more than twice in a program day.

(2) When older toddler, preschool or school-age children are participating in a program activity if the following conditions are met:
   (i) The capacity of the indoor child care space may be exceeded for no more than two separate 1/2 hour time periods daily.
   (ii) Each time period shall be designated on the facility’s schedule of daily activities.
   (iii) The space may not be occupied by children of the infant or young toddler age levels during a time period when the capacity is exceeded.
   (iv) The number of children present in the space may not be more than twice the measured capacity of the space.

(3) When a meal is served in a space designated and measured as indoor child care space if the following conditions are met:
   (i) The capacity of a space may be exceeded when children are eating for no more than 1 hour daily.
   (ii) The meal time shall be designated on the facility’s schedule of daily activities.
   (iii) The number of children present in the space may not be more than twice the measured capacity of the space.
   (i) The total number of children receiving child day care services at the facility at any one time may not exceed the facility’s maximum capacity.

§ 3270.63. Unsafe areas in outdoor space.

If unsafe areas or conditions are in or near an outdoor play space, fencing or natural barriers are required to restrict children from those unsafe areas or conditions.

§ 3270.64. Outside walkways.

Outside walkways shall be free from ice, snow, leaves, equipment and other hazards.

§ 3270.65. Protective electrical covers.

Protective receptacle covers shall be placed in electrical outlets accessible to children 5 years of age or younger.

§ 3270.66. Toxics.

(a) Cleaning materials and other toxic materials shall be kept in an area or container that is locked or made inaccessible to children.

(b) Cleaning materials and other toxic materials shall be stored in an original labeled container or in a container that specifies the content. Toxics shall be stored away from food, food preparation areas and child care spaces.

(c) Cleaning materials and other toxic materials shall be used in a way that does not contaminate play surfaces, food, food preparation areas and does not constitute a hazard to the children.

(d) Toxic plants are not permitted in a child care space.

(e) Arts and crafts materials shall be nontoxic.

§ 3270.67. Sanitation.

(a) Trash shall be removed from the facility at least once per day.

(b) Trash shall be removed from the facility grounds at least once per week.

§ 3270.119. Infant sleep position.

Infants shall be placed in the sleeping position recommended by the American Academy of Pediatrics unless there is a medical reason an infant should not sleep in this position. The medical reason shall be documented in a statement signed by a physician, physician’s assistant or CRNP and placed in the child’s record at the facility.

PROCEDURES FOR ADMISSION

§ 3270.121. Application.

(a) The operator shall review with the parent, at the time of application, the facility’s general daily schedule, hours for which care is provided, fees, responsibilities for meals, clothing, health policies, supervision policies, night care policies, dismissal policies, transportation and pick-up arrangements.

(b) At the time of enrollment, a parent shall receive in writing the information described in subsection (a).

§ 3270.122. Admission interview.

A child shall be interviewed or observed by the operator and when possible shall have the opportunity to visit the facility prior to being admitted for care. The child shall be told as much about the service being planned as he can understand. If the parent indicates that the child has a special need, the operator shall discuss the condition with the parent, refer to § 3270.4 (relating to definitions), and comply with §§ 3270.17, 3270.124 and 3270.131 (relating to service to a child with special needs; emergency contact information; and health information).

§ 3270.123. Agreement.

(a) An agreement signed by the operator and the parent must specify the following:

(1) The amount of the fee to be charged per day or per week.

(2) The date on which the fee is to be paid.

(3) The services to be provided to the family and the child, including the Department’s approved form to provide information to the family about the child’s growth and development in the context of the services being provided. The operator shall complete and update the form and provide a copy to the family in accordance with the updates regarding
emergency contact information in § 3270.124(f) (relating to emergency contact information).

(4) The child’s arrival and departure times.

(5) The persons designated by a parent to whom the child may be released as specified in § 3270.117 (relating to release of children).

(6) The date of the child’s admission.

(7) The services which are to be considered as extra.

(b) A parent shall receive the original agreement. The facility shall retain a copy of the agreement.

(a) Emergency contact information is required for each enrolled child. Emergency contact information must reference who shall be contacted in an emergency.

(b) Emergency contact information must include the following:

1. The name and birth date of the child.
2. The name, address and telephone number of the child’s physician or source of medical care.
3. The home and work addresses and telephone numbers of the enrolling parent.
4. The written consent signed by a parent for emergency medical care.
5. Information on the child’s special needs, as specified by the child’s parent, physician, physician’s assistant or CRNP, which is needed in an emergency situation.
6. Health insurance coverage and policy number for a child under a family policy or Medical Assistance benefits, if applicable.
7. The name, address and telephone number of the individual designated by the parent to whom the child may be released.

(c) When children are in the facility, emergency contact information must be present in a child care space for children receiving care in the space.

(d) When children leave the facility on walking and riding excursions, emergency contact information specific to each child on the excursion must accompany a staff person on the excursion.

(e) A written plan identifying the means of transporting a child to emergency care and staffing provisions in the event of an emergency shall be displayed conspicuously in every child care space and must accompany a staff person who leaves on an excursion with children.

(f) The parent shall update in writing emergency contact information
once in a 6-month period or as soon as there is a change in the information.

The operator shall make reasonable accommodation in accordance with applicable Federal and State laws to facilitate administration of medication or a special diet that is prescribed by a physician, physician’s assistant or CRNP as treatment related to the child’s special needs. Facility persons are not required to administer medication or special diets which are requested or required by a parent, a physician, a physician’s assistant or a CRNP but are not treatment related to the child’s special needs. When medication or special diets are administered, the following requirements apply:

(1) A prescription or nonprescription medication may be accepted only in an original container. The medication must remain in the container in which it was received.

(2) A staff person shall administer a prescription medication only if written instructions are provided from the individual who prescribed the medicine. Instructions for administration contained on a prescription label are acceptable.

(3) The label of a medication container must identify the name of the medication and the name of the child for whom the medication is intended. Medication shall be administered to only the child whose name appears on the container.

(4) Medication shall be stored in a locked area of the facility or in an area that is out of the reach of children.
(5) Medication shall be stored in accordance with the manufacturer’s or health professional’s instructions on the original label.

(6) A parent shall provide written consent for administration.

(7) An operator is responsible to establish and maintain a medication log if prescription or nonprescription medication is administered. A log must include the following minimum information:
   (i) The name of the medication.
   (ii) The name of the child receiving the medication.
   (iii) A requirement for refrigeration.
   (iv) The amount of medication administered.
   (v) The date of administration.
   (vi) The time of administration.
   (vii) The initials of the staff person who administered the medication.
   (viii) Special notes related to problems of administration.

(8) If a special diet is prescribed for a child and if the diet is administered to the child, written instructions and the parent’s written consent shall be retained in the child’s file.

(a) A staff person shall ensure that a child’s hands are washed before meals and snacks, after toileting and after being diapered.

(b) Cloth towels and washcloths shall be labeled with the child’s name, used by only the named child and laundered weekly. The director shall arrange a laundry schedule with the parent.

(c) Paper towels may be used as towels and washcloths. Paper towels shall be discarded after each use.

(d) Liquid or powdered soap shall be used for hand washing.

(e) A child shall have a labeled toothbrush if brushing teeth is a program activity.

(f) Toothbrushes shall be stored with the bristles up and exposed to circulating air.

(g) Paper cups, discarded after one use, or water fountains shall be used for between-meal drinking by children who are not bottle-fed.

§ 3270.135. Diapering requirements.

(a) When children are diapered, the facility shall use disposable diapers, a diaper service or arrange with the parent to provide a daily diaper supply.

(1) If non-disposable diapers are provided by a parent, a soiled diaper shall be placed in an individual, securely-tied plastic bag and returned to the parent at the end of the day.
(2) If non-disposable diapers from a diaper service are provided by a facility, a soiled diaper shall be placed in the container provided by the service or in a securely-tied plastic bag.

(3) If disposable diapers are provided by a parent or by a facility, a soiled diaper shall be discarded by immediately placing the diaper into a plastic-lined, hands-free covered can.

(4) A soiled diaper that is not in a tied bag may not be placed in an unlined outdoor trash container.

(b) Diaper changing surfaces shall be cleaned after each use by wiping the surface with a sanitizing solution or by changing a pad or other surface covering.

(c) The diapering area may not be used for food preparation or food service.

(d) Cloth and paper materials used as diapering aids shall be stored in a manner that prevents cross-contamination from a soiled diaper, contaminated hands or other changing materials.

(e) A staff person shall check a child’s diaper at least every 2 hours and whenever the child indicates discomfort or exhibits behavior that suggests a soiled diaper. A staff person shall change a child’s diaper when the diaper is soiled.

(d) Following review, a parent shall attest to the accuracy of information in subsection (c) by affixing a dated signature to the record.

(e) If emergency information is updated in a master file, it shall be updated accordingly in other facility records.

### § 3270.182. Content of records.

A child’s record must contain the following information:

1. Initial and subsequent health reports.
2. The dates of application, admission and withdrawal of the child.
3. Signed parental consent for emergency medical care for the child. Written consent is required prior to admission.
4. Signed parental consent for administration of medications or special dietary needs.
5. Signed parental consent for administration of minor first-aid procedures by facility staff. Written consent is required prior to admission.
6. Signed parental consent for transportation, walking excursions, swimming and wading.
7. Reports of accidents, injuries and illnesses involving a child in care at the facility. The original report shall be given to the parent on the day of the incident.
