Knowledge Area Support Documentation

For each Knowledge Area(s) selected within your application, list justification supporting why this is an area of expertise. Documentation must be included within the 'Additional Supporting Documentation' in the Add Documentation section in the application. Supporting documentation for this could be college transcripts, Learning Record, any past experience, etc.

Knowledge Area	Justification
Child Growth and Development	
Curriculum and Learning Experiences	
Families, Schools and Community Collaboration and Partnerships	
Assessment	
Communication	
Professionalism and Leadership	
Health, Safety, and Nutrition	
Program Organization and Administration
