Pennsylvania Office of Child Development and Early Learning Bureau of Early Learning Policy and Professional Development

Issue Date: December 14, 2023

Effective Date: December 14, 2023

End Date: June 30, 2024

Subject: Keystone STARS Continuous Quality Improvement Award

To: All DHS Certified Child Care Providers; Early Learning Resource Centers (ELRCs); and The Office of Child Development and Early Learning (OCDEL) Early Learning Resource Center Program Representatives

From: Shante' Brown
Deputy Secretary, Office of Child Development & Early Learning

PURPOSE

To announce the Keystone STARS Continuous Quality Improvement (CQI) Awards, a one-time Award paid to eligible child care programs with a Department of Human Services (DHS) regular Certificate of Compliance (CoC) and designated as a Keystone STAR 2, 3, or 4. This Award is paid through Early Learning Resource Centers (ELRCs), on behalf of the Office of Child Development and Early Learning (OCDEL), directly to eligible child care programs.

BACKGROUND

Keystone STARS is an initiative of OCDEL to improve, support, and recognize the quality of Pennsylvania's early learning and school-age programs. Providing financial awards, including tiered reimbursement, to Keystone STAR 2, 3, and 4 providers is one strategy implemented by OCDEL to improve early learning outcomes. To further support all Keystone STAR 2, 3, and 4 programs within the early childhood education (ECE) industry, DHS approved a one-time Keystone STARS CQI Award using federal Child Care Development Fund (CCDF) funds.

DISCUSSION

A child care provider application for this award **is not required**. Rather, child care providers who are eligible for a Keystone STARS CQI Award will receive an Eligibility and Acceptance Letter from their ELRC. The Eligibility and Acceptance Letter will include the maximum award amount a child care provider is eligible for and contact information for their ELRC.

After spending the award on eligible expenses, the child care provider will be responsible for submitting a Keystone STARS CQI Award Final Expense Report (FER) electronically [i.e., email, fax, or through Provider Self Service (PSS)] or through United States Postal Service (USPS) to their ELRC. The FER will be available in either an Excel or PDF version. Both options

for the one-page FER will be sent to eligible child care providers by the ELRC. The FER will allow the child care provider to detail how the award funds were spent.

General Provider Eligibility Requirements

To be eligible for a Keystone STARS CQI Award, a provider must meet all the following requirements both as of November 30, 2023, and at the time of the Award payment by the ELRC:

- 2) The provider is designated as a Keystone STAR 2, 3, or 4 program and is not in a Keystone STARS Suspension status.

Providers who meet the above eligibility criteria as of November 30, 2023, but fail to meet the above criteria at time of payment by the ELRC will be considered ineligible and will not receive a CQI Award.
