

# Share your opinion!

OCDEL wants to hear from PA early childhood education professionals at any child care facility (including Head Start and PA Pre-K Counts) to learn about and identify solutions related to staffing, retention, and professional development resources throughout the state. The 15-minute survey is available in English or Spanish. The survey is open through January 31, 2025.

As a thank you for participating, respondents can enter an optional drawing for a chance to win a **\$50 Amazon e-gift card!**
