**WEDNESDAY, FEBRUARY 12, 2025,
AT 12:00 PM VIA ZOOM**

If you enjoy mentoring, coaching, meeting new people, and observing educational environments, becoming a Professional Development (PD) Specialist™ may be for you. PD Specialists use early childhood education expertise to assess CDA candidates' competencies and facilitate reflective conversations with the candidates.

This role is vital to maintaining the integrity of the CDA assessment system, and we encourage all qualified individuals to apply. Join a live webinar to learn more about eligibility requirements, the application process, and other key details. Be part of a nationwide network of highly skilled early childhood professionals supporting CDA candidates—your expertise can make a difference!

This is a free event with no credit for PQAS training hours. Can't make the live Zoom? No worries! The webinar will be recorded and posted on the Pennsylvania Key website on the Child Development Associate (CDA) webpage.
