

HOW STATUSES ARE USED BY APPLICATION

DIRECTOR CREDENTIAL

APPLIED

An application has been submitted and is awaiting initial review of required Career Pathway documentation.

READY FOR PROCESSING

An application has been submitted and is awaiting initial review of required Career Pathway documentation.

MATERIALS RECEIVED

An application is ready for review of all required documentation.

INCOMPLETE

An application is considered incomplete when all required information and documentation has not been submitted. Application must be resubmitted with missing required information and documentation.

ON HOLD

The application requires additional information from either internal or external sources to continue the review process.

EXPIRED

The credential has lapsed and is no longer valid.

CANCELLED

An application that has been withdrawn because it was submitted in error, cancelled at the applicant's request, or automatically cancelled by the system due to being incomplete after 90 days, and will not be processed further.

CURRENT

The credential is valid.
