

Contracted Slots Interest Form

Pennsylvania's Contracted Slots program aims to improve access to high-quality early childhood education and services to vulnerable populations, including infants, toddlers, and children with differing abilities. This initiative is designed to enhance access to early learning and support long-term developmental outcomes for children and families. Early Learning Resource Center (ELRC) {#} implements Contracted Slots in the region.

I, {parent or guardian name}, am interested in enrolling my child, {name}, in the Contracted Slots Program at the following provider and location:

{Provider name}

{Location address}

{Location contact telephone}

{Location contact email address}

I understand that to determine my child's eligibility for Contracted Slots, I must submit a completed *Pennsylvania Application for Subsidized Child Care* with documentation of residency, employment, training programs, and income to the Early Learning Resource Center. The application can be submitted in the following ways:

In-person {ELRC Office Address}

Mail to {ELRC Address}

Submit online {Link}

Once the ELRC determines that my child is eligible for Contracted Slots, I will inform both the child care provider and ELRC of my intent to enroll my child in a Contracted Slot.

I, {parent or guardian name}, understand that completing the *Contracted Slots Interest Form* and *Pennsylvania Application for Subsidized Child Care* does not guarantee eligibility or enrollment in Contracted Slots. Enrollment will be offered based on the availability of slots and the prioritized strategy of the provider.
